

Call for paper

Engineering, Systems and Applications Laboratory
&
National School of Applied Sciences of Fez, Morocco

Are organizing

International Symposium on Industrial Systems Monitoring

October, 19 & 20 2016

<https://cimsi2016.sciencesconf.org/>

TOPICS:

Modeling and Identification.
Discrete Event Systems.
Methods and control algorithms.
Mechatronics and Robotics.
Micro and nano systems.
CNC.
Diagnosis.

Engineering of industrial processes.
Logistics.
Reliability and Dependability.
Information system.

Control and optimization.
Hybrid and continuous dynamical.
Sensors and actuators.
Signals and systems.
Monitoring and Supervision.
Embedded systems.
Design of electrical and telecommunications systems.
Project Management and Production.
Risk and maintenance.
Quality Engineering.

Important Dates:

Submission deadline:
Notification of acceptance:
Full papers submission:

June 30, 2016
September 10, 2016
September 30, 2016

Submission/ Instructions to authors

Contributions can be in English or French. It is mandatory to respect the template available on the conference website.

All accepted papers will be published in the HAL open archive. In addition, a selection of the best papers will be proposed for possible publication (after extension and new phase of proof reading) in scientific journals of the Inderscience database.

Organizing Committee

Pr. Z. Chalh, ENSA, USMBA, Fez
Pr. M. Alfidi, ENSA, USMBA, Fez
Pr. A. Youssfi, ENSA, USMBA, Fez
Pr. M. Ouadghiri, ENSA, USMBA, Fez
Pr. H. HIHI, ENSA, UCA, Marrakech
Pr. E. Irhirane, ENSA, UCA, Marrakech

Pr. A. Saka, ENSA, USMBA, Fez
Pr. M. Ouahi, ENSA, USMBA, Fez
Pr. A. Lachkar, ENSA, USMBA, Fez
Pr. S. El Khattabi, ENSA, USMBA, Fez
Pr. L. El Bahir, ENSA, UCA, Marrakech
